

**Forward! Children of Seiketsu,
Regardless the journey,
or how massive the challenges,
march with me, Children of Seiketsu.**

**Forward! Children of Seiketsu,
Fear not the obstacles,
worry not the bad weather,
march with me, towards happiness.**

**Forward! Children of Seiketsu,
Rejections are nothing, sarcasm we endure,
march with me, standing tall.**

**Forward! Children of Seiketsu,
When the day comes for us to shine,
let's stand on the summit and rejoice!**
