

# SEA of KNOWLEDGE

*~Leong Zong*

The sea ~  
Some say that  
The sea is flat  
Others say it is concave

And there are those  
Who see it as convex  
Or that it can be as small  
or as wide as can be

At the end of the day ~  
The sea is round.

Every single thing in the world  
When we come to truly  
understand it  
Becomes a perfect circle.
