

THE GOD OF FORTUNE IS HERE

The God of Fortune has arrived
The God of Fortune is here to stay
Get up early to usher him in
Wake up early for good fortune

The God of Fortune has arrived
You might not have heard of it
But the market, field or streets
Are where you'll find him

The God of Fortune has arrived
Bringing wealth to all
There is no shortage of treasures
All we need is to work for it

The God of Fortune has arrived
Bringing good omen all the way
Usher in the God of Fortune
And grow your group
Winners are created on this day
Winners are created everyday
